## Planning Board

December 15, 2011

The Village of Central Square Planning Board met at Village Hall on December 15, 2011. Members present were Chairperson Stephen Williams, Burt Alm, Maryellen Commisso, Barbra Davis; and JudyAnn Trombley, Secretary. Also in attendance were Mayor Murphy and Chad Penoyer.

### **CALL TO ORDER:**

The meeting was called to order by Chairperson Stephen Williams, at 7:00PM followed by the Pledge of Allegiance.

### **APPROVAL OF MINUTES:**

Chairperson Stephen Williams made a motion to approve the minutes of the November 17, 2011 Planning Board Meeting as written. The motion was seconded by Burt Alm, the Board was polled and the motion passed unanimously.

### **OLD BUSINESS:**

Chairperson Stephen Williams gave a brief summary of the updated material added to the Comprehensive Plan. Board Members reviewed hard copy draft of those additions. The traffic alternatives were reviewed as part of the overall summary, as well, with map description and explanation from the 2010 Traffic Study Alternative Analysis.

Mayor Murphy shared that he had received correspondence regarding an actual 2010 population figure of 1850. This figure will be added under the updated US Census Bureau Population Estimates information contained in Section 2, Table 1, with a "published but not confirmed" footnote. He also commented on several specific data items he felt of high importance to be included in the Plan. Several of these items were updated school figures, new name for the park on Route 49, Waterworks Landing project, and specific traffic issues identified in previous Planning Board workshops. Each of these items, as well as others, were entertained in the revisions made formerly.

As a general review, each item was located and page-identified within the Plan for attendees.

Several edits were requested in the Village Services of Section 2. These consisted of the addition of numbers per business in a few items, addition of two businesses, to search for the "Development Constraints Map" referred to in Section 5: Land Use Policies and include it in the final draft. Chairperson Williams commented on his goal for this draft is to review and approve it at the next meeting and send it on to the Village Board.

Chairperson Williams announced the next scheduled meeting on Thursday, January 19, 2012 at 7:00PM. He moved to adjourn this meeting at 8:00PM. The motion was seconded by Barbra Davis, the Board polled and the motion passed unanimously.

Respectfully Submitted,

JudyAnn Trombley  
Planning Board Secretary
