

§ 229-10. Operating permits.

This version of the Code is provided for informational purposes only. For the official version of the Code, please contact the municipality.

A. Operation permits required.

(1) Operating permits shall be required for conducting the activities or using the categories of buildings listed below:

(a) Manufacturing, storing or handling hazardous materials in quantities exceeding those listed in Tables 2703.1.1(1), 2703.1.1(2), 2703.1.1(3) or 2703.1.1(4) in the publication entitled "Fire Code of New York State" and incorporated by reference in 19 NYCRR section 1225.1;

(b) Hazardous processes and activities, including but not limited to, commercial and industrial operations which produce combustible dust as a byproduct, fruit and crop ripening, and waste handling;

(c) Use of pyrotechnic devices in assembly occupancies;

(d) Buildings containing one or more areas of public assembly with an occupant load of 100 persons or more; and

(e) Buildings whose use or occupancy classification may pose a substantial potential hazard to public safety, as determined by resolution adopted by the Board of Trustees of this Village.

(2) Any person who proposes to undertake any activity or to operate any type of building listed in this subsection [A](#) shall be required to obtain an operating permit prior to commencing such activity or operation.

B. Applications for operating permits. An application for an operating permit shall be in writing on a form provided by or otherwise acceptable to the Code Enforcement Officer. Such application shall include such information as the Code Enforcement Officer deems sufficient to permit a determination by the Code Enforcement Officer that quantities, materials, and activities conform to the requirements of the Uniform Code. If the Code Enforcement Officer determines that tests or reports are necessary to verify conformance, such tests or reports shall be performed or provided by such person or persons as may be designated by or otherwise acceptable to the Code Enforcement officer, at the expense of the applicant.

C. Inspections. The Code Enforcement Officer or an Inspector authorized by the Code Enforcement Officer shall inspect the subject premises prior to the issuance of an operating permit.

D. Multiple activities. In any circumstance in which more than one activity listed in Subsection [A](#) of this section is to be conducted at a location, the Code Enforcement Officer may require a separate operating permit for each such activity, or the Code Enforcement Officer may, in his or her discretion, issue a single operating permit to apply to all such activities.

E. Duration of operating permits. Operating permits shall remain in effect until reissued, renewed, revoked, or suspended.

F. Revocation or suspension of operating permits. If the Code Enforcement Officer determines that any activity or building for which an operating permit was issued does not comply with any applicable provision of the Uniform Code, such operating permit shall be revoked or suspended.

G. Fee. The fee specified in or determined in accordance with the provisions set forth in § [229-16](#), Fees, of this chapter must be paid at the time submission of an application for an operating permit, for an amended operating permit, or for reissue or renewal of an operating permit.
